```java
package com.sxt.decorator;

public class Client {
    public static void main(String[] args) {
        Car car=new Car();

        FlyCar flycar=new FlyCar(car);
        flycar.move();

        WaterCar watercar=new WaterCar(flycar);
        watercar.move();
    }
}
```
