```java
package com.decorator;

import java.io.FilterInputStream;

public class Milk extends Decorator {

    public Milk(Drink obj) {
        super(obj);
        // TODO Auto-generated constructor stub
        setDes(" 牛奶 ");
        setPrice(2.0f);
    }

}
```
